EXPERIENCE

Operations Shift Supervisor

LAMSAN POWER CORPORATION

📅 07/2022 - Present 📍 Sultan Kudarat, Maguindanao

- Directly supervises and coordinates the activities of power plant operators and technicians during assigned shifts to ensure efficient and safe plant operations.
- Ensures that daily sales/production goals are met and industry rules and regulations are followed
- Generate shift reports detailing operational metrics, production data, downtime, and any notable events or observations
- Implemented data-driven decision-making processes to improve operational response during plant issues.
- Designed and maintained daily operational dashboards using Tableau that provided comprehensive summaries of power plant performance, ensuring timely and accurate data delivery to stakeholders.
- Implemented a new data collection technique using advanced Excel skills, resulting in a remarkable 60% to 75% reduction in Daily Generation Report generation time, showcasing efficiency optimization and strategic data management abilities.
- Utilized SAP to record and manage transactions for power generation, fuel consumption, and chemical usage, ensuring accurate and compliant data management.

Control Room Engineer

LAMSAN POWER CORPORATION

📅 09/2020 - 07/2022 📍 Sultan Kudarat, Maguindanao

- Monitored all plant operations on screens and computers closely to maximize plant efficiency
- Identified any abnormalities and equipment conditions using DCS Data
- Regularly collected plant data in logsheets and logbooks for documentation and analysis
- Responded effectively to emergency situations, coordinating with relevant stakeholders to mitigate risks and minimize impact.

Field Engineer

LAMSAN POWER CORPORATION

📅 12/2019 - 08/2020 📍 Sultan Kudarat, Maguindanao

- Managed field operations to ensure smooth plant operations
- Communicated well with control room engineers, shift supervisor and field operators to determine needs and explain complex issues
- Overseen repairs and technical improvements.

Instructor

NOTRE DAME OF MIDSAYAP COLLEGE

📅 06/2019 - 10/2019 📍 Midsayap, Cotabato

- Assessed students' progress by grading papers, tests, and other work
- Worked with students who are studying for a degree or a certificate or certification or are taking classes to improve their knowledge or career skills

EDUCATION

BS in Electronics Engineering

Notre Dame of Midsayap College

📅 2013 - 2018

SKILLS

Leadership

Project Management

Critical Thinking and Problem Solving

Daily Generation Report

Power BI

Tableau

Data Cleaning and Analysis

BigQuery SQL

Microsoft SQL Server

Python Data Analysis and Visualization

R Programming and Visualization

MS Office
